Let's go!

Experience the "Rastatter Rheinauen"—a uniquely diverse riparian landscape—and explore what we call the Baden Jungle. Walking amid dense floodplain forests and along the majestic Rhine, you will embark on a journey of discovery. Find out how alluvial specialists keep their heads above water (or don't) and learn why silver willows have snorkels.

Adventure knows no bounds! Take the free yaw cable ferry over the Rhine River, crossing the French-German border to explore the riparian landscapes on both sides.

Something to discover for everybody

Need a short break?

The centrally located Rhine promenade is the perfect place for rest and relaxation. Kids can enjoy playing on the pirate ship at the playground. At the visitor pavilion, you will find a kiosk and barrier-free sanitary facilities for your convenience.

12 interactive learning stations in Germany

5 additional stations in France

Floodplain fun facts and insights into the animals that call this landscape home

Free ferry crossing for exploration beyond borders

Well-marked, level forest paths (unpaved)

QR code for additional info specially made for kids

Kids' Corner

Discoveries are around every corner of the floodplain tour! Check out the hands-on activities and interactive elements at each station.

There's more! Use your smartphone to access our website and get even more info about the fascinating world of this riparian forest and its creatures. But keep your eyes and ears open to solve the exciting puzzles along the way!

Good to know: QR codes

Look for the QR codes at the learning stations. Turn on your phone's mobile data, scan the QR code, and access more fun facts.

Information for everyone: Access our barrier-free website to get all the information found at the learning stations in various languages.
